

DELAWARE RIVER BASIN COMMISSION
NOTICE OF PUBLIC HEARING AND BUSINESS MEETING

Notice is hereby given that the Delaware River Basin Commission will hold a public hearing on **Tuesday, June 10, 2014**. A business meeting will be held the following day on **Wednesday, June 11, 2014**. The hearing and business meeting are open to the public and will be held at the Washington Crossing Historic Park Visitor Center, 1112 River Road, Washington Crossing, Pennsylvania.

Public Hearing. The public hearing on **June 10, 2014** will begin at **1:30 p.m.** Hearing items will include draft dockets for withdrawals, discharges and other water-related projects subject to the Commission's review, and resolutions: (1) extending the Commission's Monitoring Advisory Committee; (2) authorizing the Executive Director to contract for laboratory analysis of ambient main stem and tributary samples for chronic toxicity; and (3) authorizing the Executive Director to enter into a Memorandum of Understanding with the U.S. Army Corps of Engineers for repairs and improvements at Blue Marsh Dam. The list of projects scheduled for hearing, including project descriptions, will be posted on the Commission's web site, **www.drbc.net**, in a long form of this notice at least ten days before the hearing date. Written comments on draft dockets and resolutions scheduled for hearing on June 10 will be accepted through the close of the hearing that day. After the hearing on all scheduled matters has been completed, there will be an opportunity for public dialogue.

Because hearings on particular projects may be postponed to allow additional time for the commission's review, interested parties are advised to check the Commission's web site during the week immediately prior to the hearing date. Any postponements will be duly noted there.

Public Meeting. The public meeting on **June 11, 2014** will begin at **12:15 p.m.** and will consist of a business meeting to include the following items: adoption of the Minutes of the Commission's March 12, 2014 business meeting, announcements of upcoming meetings and events, a report on hydrologic conditions, reports by the Executive Director and the Commission's General Counsel, and consideration of any items for which a hearing has been completed or is not required.

There will be no opportunity for additional public comments at the June 10 business meeting on hearing items for which the hearing was completed on June 10 or a previous date. Commission consideration on June 11 of items for which the public hearing is closed may result in either approval of the item (docket or resolution) as proposed, approval with changes, denial, or deferral. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date.
